Welcome Letter

Spoiled Rotten Photography

We know how important Picture Day is for your school and your families. That's why we're committed to making the entire experience seamless and enjoyable. From scheduling to delivery, our team handles all the details, so you don't have to. We'll create a smooth process that ensures your students have a joyful experience, and parents are thrilled with the results!

As a local business, we're here to provide personalized service and immediate support. Have questions? We'll be right there to help. Our goal is to make Picture Day one of the easiest and most enjoyable days of your school year—a day that leaves everyone smiling.

Our Mission

Delight parents with
stunning portraits.

Deliver a joyful,
organized picture day.

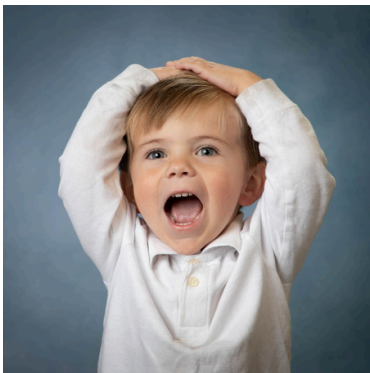

Why Partner With Us?

We Make Your Job Easier

Direct all questions and concerns to us

- We are local and answer the phone
- We happily answer questions & fix issues
- We will make your parents happy

Convenient For Your Families

Our operation is digital

- No forms to hand out
- No money to collect
- Parents receive a private password-protected gallery

Your Families Will Be Delighted

Our portraits are frameworthy

- Portraits are properly exposed, have great color and composition
- Our photographers are well-trained professionals, who love to work with kids

We Bring the Sunshine

Our staff is professional and nice

- We try our very best to uplift and affirm self-esteem
- Our goal is to give each subject (students and staff) a great experience, and make them smile

Personalities Captured

Our Team

We will take the time to get real expressions and capture the student's spirit.

We bring a team of photographers and assistants to handle the volume of your student body and work within your provided school hours.

Yearbook Portraits > Gallery

Order by SEP 26

On-Line Galleries

- + Each student will receive a variety of poses and expressions (3-6 images to choose from)
- + Poses can be mixed & matched in packages. We do not force parents to purchase packages that have pre-determined sizes or odd sized and small photos in a package

Customizable
Session Types
